

Kansas City Chiefs Strawberries and Caramel

10 servings

10 minutes

Ingredients

1 lb Organic Strawberries
20 large Pitted Dates (Soak in water for 30 minutes if dried out.)
1 pinch Sea Salt
3/4 cup Water (Add more or less if needed- you want your caramel to be a paste and not a liquid)
1 tsp Vanilla Extract

Directions

- 1 Wash the strawberries and cut off the top. Arrange on a platter.
- 2 In a high powered blender, mix all of the other ingredients and pulse until a thick paste is formed. You might have to add more or less water to make your paste.
- 3 Scrape caramel into a small bowl, set on platter, and serve.
